CAPABILITY

We promptly offer pressure vessel service upon high quality and meet international standard which guaranteed by American Society of Mechanical Engineering (ASME)

- U : Pressure Vessels
- S : Power Boilers
- R : Repair and Alterations
- PP : Pressure Piping

We are ready to provide you our best service in production as well as delivery in and out the country as agreed.

We engineer your success

ASME U, S, R, PP STAMP

APPLICATION

U : Pressure Vessels

- Heat Exchanger
- Header Pipe
- Reactor Tank
- Mixer Tank
- Fiber Plastic Pressure Vessel
- Air Receiver Tank

S : Power Boilers

- Steam Heating Boiler
- Hot Water Heating Boiler
- Hot Water Supply Boiler
- Potable Water Heater
- Potable Water Heater

R : Repair & Alterations

- Header Pipe & Heat Exchanger
- Reactor Tank
- Mixer Tank
- Air Receiver Tank
- Transport Tank
- Safety Value & Pump

P : Pressure Piping

- Oil and Gas Pipe
- Air Piping
- Water Piping
- Steam Piping

We engineer your success
